TAMBOERSKLOOF NEIGHBOURHOOD WATCH

Dear fellow Tamboerskloof neighbour

TBKWatch 4.0

Towards a Safer, Cleaner, Better Tamboerskloof

As discussions continue about establishing a CID *in parts* of Tamboerskloof, we believe **TBKWatch 4.0** offers a **stronger, more effective** and **more affordable** solution—built on **18 years of experience** and a modern **security infrastructure** for the ***entire Tamboerskloof neighbourhood.***

With our **License Plate Recognition cameras** and **AI monitored CCTV network**, the **24/7 WatchCom Control Team** coupled with mobile support, TBKWatch is well geared to take the next step towards creating a **safer, cleaner, and more connected neighbourhood.**

Join us on 14 April for a public info session to discuss **TBKWatch 4.0**, the next phase in our development
(meeting details on reverse side)

In the meantime, make sure you're signed up to **TBKWatch** to stay updated on ongoing and upcoming projects, public safety developments, and community matters.
